FORT COLLINS, Colo. – May 16, 2018 – Gulley Greenhouse and Garden Center and the Larimer Retired K9 Foundation are excited to invite the community to Gulley’s Roses for Peace event on Saturday, June 9, 2018. The event will take place at Gulley, 6029 South Shields in Fort Collins, and run from 10 am. – 3 p.m. Throughout the day, donation boxes will be placed around the store for attendees to contribute to the Larimer Retired K9 Foundation, a nonprofit organization that provides financial support for retired Larimer County Sheriff’s Office K9s.

“Gulley Greenhouse does so much to support the community, and we are incredibly grateful that they are welcoming the foundation to their event,” said Barbara Bennett, Larimer Retired K9 Foundation. “We look forward to introducing the community to our beloved K9s.”

Roses for Peace will feature K9 demonstrations, as well as a World War II museum showcase, barrel train, ice cream truck and free hot dogs. Plus, all roses will be 30 percent off for the day. There is no cost to attend, and all ages are welcomed.
